Dear Sir,

It has come to my notice through various people who have access to the Internet, that a proposal has been mentioned concerning the Baby Health Centre.

Apparantly Council is proposing to move the Baby Health Centre and the childrens playground down to Buckland Park behind the Red Cross Hall.

We the Springwood RSL Sub-Branch strongly oppose this as on Commemoration Days there would be no access for the marchers entering from Macquarie Road. It would be virtually impossible for large numbers of ex-service personnel and school students to enter the Park at the Red Cross Hall entrance,

Buckland Park is for the use of all the community and the space is gradually being eroded as well as the toilet amenities being closed to public use.

We trust that further thought and consideration be given to this proposal.

Yours sincerely
(Mrs) Phyllis Dees *P. Dees*
